FAI Sporting Licence Application Form (Balloons)

Licence Requirement. An FAI sporting licence must be held by all balloonists taking part in any record attempt, National or International competition. The FAI sporting licence is valid for one year (1st Jan - 31st Dec) and must be renewed annually.

Issue of Sporting Licences. Each NAC has the power to issue FAI sporting licences on proof of identity to those of its individual members who are either citizens or residents of that NAC's country. This sporting licence is being issued on behalf of the Royal Aero Club. With immediate effect, all NACs have been invited to send details of their FAI Sporting Licence holders to the FAI Secretariat. Starting on 1st January 2008, access to the data-base will be granted to selected persons who need to know details of Sporting Licence holders (such as competition organisers), or who need to be able to modify details or up-load new data concerning their own Sporting Licence holders (such as NAC staff). With effect from 1 January 2009, FAI Sporting Licences will only be valid if they appear on the central FAI database. So from that date, every NAC will have an obligation to keep the data concerning their licence-holders up to date.

Holder's Responsibility. The holder shall sign his sporting licence. In doing so he acknowledges that he knows and understands the FAI Sporting Code and commits himself to abide by it. Only holders of a valid FAI Sporting Licence as defined in FAI Sporting Code General Section 8.1.5 are permitted to participate in FAI sporting events and record attempts.

I hereby make application for issue of a Federation Aeronautique Internationale Sporting Licence and request that my details be entered on the BBAC, Royal Aero Club and FAI databases.
